The Florida Department of Health ("Department") received correspondence from San Felasco Nurseries, Inc., d/b/a Harvest's House of Cannabis ("Harvest") on December 17, 2020. In the correspondence, Harvest requests permission to make a third wholesale flower purchase of marijuana from Bill's Nursery d/b/a The Flowery ("The Flowery") due [REDACTED] at its cultivation facility located at [REDACTED].

The Flowery agrees to provide Harvest [REDACTED] of marijuana with the following:

[REDACTED]

Harvest also states it has the option to purchase an additional [REDACTED] marijuana from The Flowery. Harvest will provide a separate variance request for the future wholesale purchase. The Department approved Harvest to purchase [REDACTED] marijuana from The Flowery on November 5, 2020 and [REDACTED] on November 25, 2020.

The Department finds that Harvest has submitted proof of harvest failure and may move forward with a wholesale purchase from The Flowery pursuant to section 381.986(8)(c), Florida Statutes.

Harvest remains bound by both Section 381.986, Florida Statutes, and Department rules, and must continue to obtain written approval prior to making any material changes to the representations it has made to the Department. If you have any questions, please contact the Department for assistance.
