Re: Variance Request - GTI - Proposed Wholesale Purchases

Reference Number - 00003861

Dear Mr. Simmonds,

The Florida Department of Health ("Department") received a variance request ("Variance"), on behalf of KSGNF, LLC, dba ("GTI Florida, LLC") on December 22, 2020. In the request, GTI Florida, LLC notified of a harvest failure and intent to purchase wholesale product to recover the loss. The harvest failure was identified at the following address:

- Not provided

The Department requests the following information:

Crop Loss

- Provide a detailed description of the crop loss to include:
 - The number of plants lost;
 - The stage of growth at the time of loss;
 - A list of facilities affected, including the specific address and areas within the facility affected;
 - Documentation of the cause of crop loss, to include any photo evidence;
 - A detailed corrective action plan;
 - Any updated standard operation procedures, applicable to the harvest failure;
 - Seed-to-sale data notifying the Department of when marijuana plants are lost and destroyed;
 - Documentation of fumigation or treatment of plants, or removal and destruction of infested or infected plants, in accordance with chapter 581 and any rules adopted thereunder, in compliance with section 381.986(8)(e)6.d., Florida Statutes.

Wholesale Purchase

- Provide documentation of the wholesale purchase to include:
 - Any fully executed contracts and agreements (such as security or testing) with pricing details included;
 - The product type being purchased (e.g. dry flower, oils, etc.);
 - Explanation of how the wholesale purchase will be formulated;
 - Explanation of how the wholesale purchase will be labeled and packaged;
 - Explanation of how the medical marijuana treatment center will test products produced from wholesale purchase;
 - Explanation of how the wholesale purchase will be tracked in the seed-to-sale system;
 - Explanation of how the wholesaler ensures they can supply their patients after the transaction.
