Re: Variance Request - GTI - Proposed Wholesale Purchases

Reference Number - 00003861

Dear Ms. Mahone,

The Florida Department of Health ("Department") received a variance request ("Variance"), from KSGNF, LLC, dba GTI Florida, LLC ("GTI") on December 22, 2020. In the Variance, GTI notified the Department of a harvest failure and intent to purchase wholesale product to recover the loss. The harvest failure was identified at the following address:

- [REDACTED]

The Department finds that GTI has submitted proof of harvest failure and may move forward with purchasing [REDACTED] of dry flower from one or more medical marijuana treatment centers pursuant to section 381.986(8)(c), Florida Statutes. Each wholesale purchase agreement related to this harvest failure must be submitted to the Department for approval.

GTI remains bound by both Section 381.986, Florida Statutes, and Department rules, and must continue to request to obtain written approval prior to making any material changes to the representations it has made to the Department. If you have any questions, please contact the Department directly for assistance.

Sincerely,

*Courtney Coppola*
