Re: Variance Request – Harvest Failure

Reference Number - 00004120

Dear Mr. Buchman,

The Florida Department of Health (“Department”) received a request from Spirit Lake Road Nursery, LLC d/b/a Fluent (“Fluent”) on February 5, 2021. In the request, Fluent seeks approval to purchase marijuana wholesale from another medical marijuana treatment center (“MMTC”) due to a harvest failure at its cultivation facility (“Facility”) located at [REDACTED]. Fluent requests approval to make a wholesale purchase of marijuana from Spring Oaks Greenhouses, Inc. d/b/a The Source (“The Source”) through a contract received by the Department on October 2, 2020 and February 5, 2021.

Fluent requests to purchase 633.35 pounds of marijuana from The Source through the previously approved contract.

The Department finds that Fluent has submitted proof of harvest failure and may move forward with the wholesale purchase of 633.35 pounds of marijuana from The Source pursuant to section 381.986(8)(c), Florida Statutes.

Fluent remains bound by both Section 381.986, Florida Statutes, and Department rules, and must continue to obtain written approval prior to making any material changes to the representations it has made to the Department. If you have any questions, please contact the Department for assistance.

Sincerely,

A handwritten signature in cursive script that reads "Courtney Coppola".
